Veeda was selected for the industrial training of Drug inspectors by CDSCO.

The Central Drug Standards Control Organization (CDSCO) needs to keep itself abreast of the fast-changing scientific innovations, evolving international regulatory framework and other developments. The central role of the Indian Pharma industry and the globalization necessitate, that the regulatory framework has to constantly evolve by integrating new developments. It is, therefore imperative for the present and future drug control officials to continuously upgrade their skills and knowledge, and gain expertise in the variety of subjects

to measure up to such functional requirements.
