QUALITY POLICY

Veeda's Management is committed to continuous improvement in the effectiveness of our Quality Management System, to nurturing our Quality culture, to providing quality research solutions that meet sponsor and regulatory requirements and to protecting the rights, safety and wellbeing of the study volunteers.

To guarantee the implementation of our Quality Policy, We, at Veeda Clinical Research, are committed to meet the following objectives through appropriate processes and systems:

- 1) Comply with all pertinent statutory obligations and regulations applicable to the services provided to our customers
- 2) Protect the rights, safety and wellbeing of the study volunteers whilst in our care
- 3) Become the partner of choice for our sponsors and stakeholders with continuous improvement in our quality systems
- 4) Hire and maintain competent staff who adhere to Veeda's Quality Policy and practice Veeda's values in all activities
- 5) Implement policies and nurture practices that fundamentally influence the behaviour of every individual in Veeda Clinical Research to sustain our culture of Quality
