

Award Recognizes Company's Expertise & End-to-End Quality Clinical Research Solutions

Ahmedabad, Gujarat – July 04, 2019

World Quality Congress organised the Quality Healthcare Awards, a premier award program to recognize and reward the outstanding accomplishments in Quality, on 4th July 2019 at Mumbai.

Veeda Clinical Research was bestowed as the "Best Quality Clinical Research Organisation in India", an award that recognised Veeda as the Clinical Research Organization that best demonstrates an ongoing commitment to improving clinical research services in India. This award is a testimony to Veeda's comprehensive Quality Management System and its commitment to nurture a Quality culture that encourages continuous learning and improvement to support our sponsors, investigators and volunteers through highly ethical, transparent and best-in-class services.

"Veeda's focus over the years has been to expand our portfolio of services and institutionalize Quality through our processes, systems, people and culture which will ensure that Veeda remains relevant and competitive in today's rapidly changing and fast growing segments of the pharmaceutical and healthcare industry. Receiving this award is a clear reflection of Veeda's success in its endeavours, driven by its deep scientific knowledge and service-oriented approach." said Dr. E. Venu Madhav, COO of Veeda Clinical Research.

Veeda is the leading independent CRO in India. Veeda offers a diverse range of clinical studies including bioequivalence as well as PK, PD and Clinical End point studies for Generics, NCE and Biopharmaceuticals. Veeda is a partner of choice for many global pharmaceutical companies and is reputed for its best-in-class scientific knowledge, quality and ethics.

Veeda has an exemplary regulatory track record of successfully completing 30 USFDA, 7 ANVISA, 5 WHO, 3 MHRA, 1 AGES, 1 ANSM, 1 MCC, 13 DCGI and 4 NPRA audits till date.
