whether temporary or permanent, that allows such person, directly or indirectly, access to unpublished price sensitive information or is reasonably expected to allow such access;

Note: It is intended that a connected person is one who has a connection with the company that is expected to put him in possession of unpublished price sensitive information. Immediate relatives and other categories of persons specified above are also presumed to be connected persons but such a presumption is a deeming legal fiction and is rebuttable. This definition is also intended to bring into its ambit persons who may not seemingly occupy any position in a company but are in regular touch with the company and its officers and are involved in the know of the company's operations. It is intended to bring within its ambit those who would have access to or could access unpublished price sensitive information about any company or class of companies by virtue of any connection that would put them in possession of unpublished price sensitive information.

9. "Designated Person(s)" means:

- i. All promoters and members of the promoter group of the Company;
- ii. Members of the Board of Directors of the Company;
- iii. Company Secretary, Chief Financial Officer;

- vi. Any support staff of the Company, such as IT staff or secretarial staff, Legal Staff, Finance Staff who have access to unpublished price sensitive information;
- vii. Person in possession of or having access to unpublished price sensitive information.

10. "Fiduciary" shall mean professional firms such as auditors, accountancy firms, law firms, analysts, insolvency professional entities, consultants, banks, etc. assisting or advising listed companies.

11. **"Generally available information"** means information that is accessible to the public on a non-discriminatory basis;

(Information published on the website of a stock exchange, would ordinarily be considered generally available.)

12. **"Immediate Relative"** means a spouse of a person, and includes parent, sibling and child of such person or of the spouse, any of whom is either dependent financially on such person, or consults such person in taking decisions relating to trading in securities;

Note: It is intended that the immediate relatives of a "connected person" to become connected persons for purposes of these regulations. Indeed, this is a rebuttable presumption.

13. **"Insider"** means a person who is:

- i. a connected person; or
- ii. in possession of or having access to unpublished price sensitive information;

Note: Since "generally available information" is defined, it is intended that anyone in possession of or having access to unpublished price sensitive information should be considered an "insider" regardless of how one came in possession of or had access to such information. Various circumstances are provided for such a person to demonstrate that he has not indulged in insider trading. Therefore, this definition is intended to bring within its reach any person who is in receipt of or has access to unpublished price sensitive information. The onus of showing that a certain person was in possession of or had access to unpublished price sensitive information at the time of trading would, therefore, be on the person leveling the charge after which the person who has traded when in possession of or having access to unpublished price sensitive information may demonstrate that he was not in such possession or that he has not traded or he could not access or that his trading when in possession of such information was squarely covered by the exonerating circumstances.

14. **"Key Managerial Person or "KMP"** means person as defined in Section 2(51) of the Companies Act, 2013 as amended from time to time;

15. **"Legitimate purpose"** shall include sharing of unpublished price sensitive information in the ordinary course of business by an insider with partners, collaborators, lenders, customers, suppliers, merchant bankers, legal advisors, auditors, insolvency professionals or other advisors or consultants, provided that such sharing has not been carried out to evade or circumvent the prohibition of these regulations.

16. **"Promoter"** shall have the meaning assigned to it under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 or any modification thereof;

17. **“Promoter group”** shall have the meaning assigned to it under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 or any modification thereof;
18. **“Regulations”** mean the SEBI (Prohibition of Insider Trading) Regulations, 2015 and any amendment thereto;
19. **“Relatives”** means a person, as defined in Section 2 (77) of the Companies Act, 2013 and any other amendments thereto;
20. **“Securities”** shall have the meaning assigned to it under the Securities Contracts (Regulation) Act, 1956 (42 of 1956) or any modification thereof except units of a mutual fund;
21. **“Specified”** means specified by SEBI in writing;
22. **“Takeover Regulations”** means the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 and any amendments thereto;
23. **“Trading”** means and includes subscribing, buying, selling, dealing or agreeing to subscribe, buy, sell, deal in any securities, and “trade” shall be construed accordingly;

Note: Under the parliamentary mandate, since the Section 12A (e) and Section 15G of the Act employs the term 'dealing in securities', it is intended to widely define the term “trading” to include dealing. Such a construction is intended to curb the activities based on unpublished price sensitive information which are strictly not buying, selling or subscribing, such as pledging etc. when in possession of unpublished price sensitive information.

24. **“Trading day”** means a day on which recognized stock exchange are open for trading;
25. **“Unpublished Price Sensitive Information”** means any information, relating to a Company or its securities, directly or indirectly, that is not generally available which upon becoming generally available, is likely to materially affect the price of the securities and shall, ordinarily include but not restricted to information relating to the following:-
 - i. financial results;
 - ii. dividends;
 - iii. change in capital structure;
 - iv. mergers, de-mergers, acquisitions, delistings, disposals and expansion of business and such other transactions;
 - v. changes in the key managerial personnel;

Note: It is intended that information relating to a company or securities, that is not generally available would be unpublished price sensitive information if it is likely to materially affect the price upon coming into the public domain. The types of matters that would ordinarily give rise to unpublished price sensitive information have been listed above to give illustrative guidance of unpublished price sensitive information.

Words and expressions used in this Code of Conduct and not defined in these regulations but defined in the Securities and Exchange Board of India Act, 1992, Securities Contracts (Regulations) Act, 1956, The Depositories Act, 1996 or The Companies Act, 2013 and the Rules and Regulations made there under shall have the meanings respectively assigned to them in those legislations.

(ii) Not attract the obligation to make an open offer under the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeover Regulations), 2011 but where the board of directors is of informed opinion that sharing of such information is in the best interests of the company and the information that constitute unpublished price sensitive information is disseminated to be made generally available

4. TRADING WHEN IN POSSESSION OF UNPUBLISHED PRICE SENSITIVE INFORMATION.

1. No insider shall trade in securities when in possession of unpublished price sensitive information:

When a person who has traded in securities has been in possession of unpublished price sensitive information, his trades would be presumed to have been motivated by the knowledge and awareness of such information in his possession. The reasons for which he trades or the purposes to which he applies the proceeds of the transactions are not intended to be relevant for determining whether a person has violated the SEBI (Prohibition of Insider Trading) Regulation. He traded when in possession of unpublished price sensitive information is what would need to be demonstrated at the outset to bring a charge.
